Subject: SINGLE STATE REGISTRATION SYSTEM REPEAL

Dear California Motor Carrier:

The Single State Registration System (SSRS) is repealed nationwide effective January 1, 2007. Public Law 109-59, the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) repeals SSRS and replaces it with the Unified Carrier Registration Act (UCRA).

YOU ARE STILL REQUIRED TO MAINTAIN LIABILITY INSURANCE ON YOUR VEHICLE, AND YOU ARE STILL REQUIRED TO PROVIDE EVIDENCE OF THAT INSURANCE TO A PEACE OFFICER UPON DEMAND. However, you will not have a 2007 SSRS receipt to carry in your vehicle, since the SSRS program is repealed effective January 1, 2007.

The UCRA law is effective January 1, 2007, but has not yet been implemented by the federal government. California will not participate in UCRA during 2007. If UCRA is implemented in 2007, motor carriers in California will be required to register through another participating state.

The California Department of Motor Vehicles is working closely with the California Highway Patrol. Both agencies are aware of the provisions of SAFETEA-LU. Law enforcement nationwide should be aware of the provisions of SAFETEA-LU and the delayed implementation of UCRA. We recommend you carry a copy of this letter in your vehicle.

Please check our website at www.dmv.ca.gov/mcs/mcs.htm for updates, or you may call (916) 657-6636 for further information.
